

Catholic Church

## A RECENT UPGRADE

In November and December, a lighting retrofit/upgrade was completed for Sacred Heart Church and School with expected utility savings of \$17,000 annually.

Thanks for your continued commitment to the St. Joseph's maintenance fund and weekly offertory!

## CAMPUS UPDATE

December 2013

### **EAGLE SCOUTS HELP SACRED HEART!**

In 2013, there have been several Eagle Scout Projects that have improved the look of our campus.

1. Improvement of flower beds and installation of benches in front of Sacred Heart Catholic School
2. Installation of the sign centers in the parking lots
3. Wheelchair ramp installation for the Old Church
4. Plantings, benches, decorative crosses and brick deck in fountain area in front of the Auditorium

Thanks!

## **SERVICE DAYS & ST. FIACRE SOCIETY**

2013 also brought lots of joy around campus with the following projects being completed by the St. Fiacre Society and during the First Annual Service Day and other service days

1. Table cleaning in the meeting rooms on campus
2. Installation of electrical and fountains in fountain area in front of the auditorium
3. Chair labeling making it easier to identify the correct location for meeting room chairs
4. Skirting around school portable buildings
5. Upkeep of the flower beds on campus including weeding, mulching and new plantings
6. Installation of rock flower bed borders at the church, convent and in the courtyard near the parish office
7. Installation of drainage bull rock in the courtyard near the parish office
8. Installation of decorative bull rock behind the gym kitchen
9. Repair, staining and painting of the gazebo
10. Installation of closets and repair of flooring in Our Lady of Lourdes Music Room
